PRINCIPAL'S MESSAGE

"Is that your picture in this yearbook?"
"Yes, there it is!"

The Lawton Lite is not merely a picture book, but a keepsake of your classmates and teachers. In years to come, it will be a permanent reminder of the "good old days" at Lawton, and will become more valued as time goes on.

We are indebted to the Yearbook Staff and Mr. Chebuk who worked so hard to make this yearbook possible. Congratulations for a splendid job!

Although there are many young people who express great concern for the sad state of our society and its problems; as students of Lawton School and as Canadians, we are fortunate for the many wonderful things we possess . . . for our homes and the love of parents, for our community which provides our education, and for the opportunity to live an abundant and free life.

May I take this opportunity to express my appreciation to the students and members of the staff who have made Lawton Junior High School the pleasant place it has been. May I also commend the students for the excellent work they have done this year.

To our Grade Nines who will be leaving for High School, my best wishes for a successful career. As you reflect upon your days at Lawton, I hope your memories are happy ones, and that in the intervening years, you have found life satisfying and rewarding.

To all students and parents of Lawton, I extend my sincere wishes for a future filled with happiness and success.

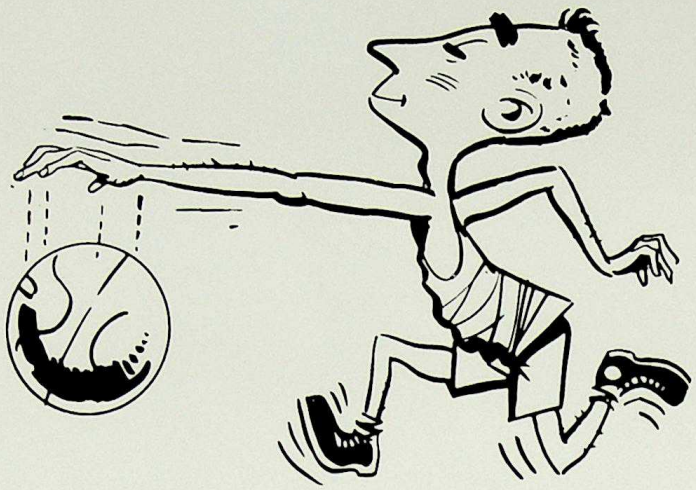
BOYS' SPORTS 1970 - 71



BOYS' SOCCER - Coached by P. Kieran. The boys played eight games this year. They won 7, lost 1 and tied 0. They finished first in their league, thus advancing to the Zone Final in which they defeated H. A. Gray 3-1. This put them in the City Semi-finals against Avalon whom they defeated 2-1. At the City Final the Lawton team lost to Britannia by a narrow margin of 1-0.

BOYS' VOLLEYBALL - Coached by R. Gauf. The Lawton team led their league with a perfect 10 wins out of 10 games. In all they played 76 games, winning 58 and losing 18. The Zone Final was a best of 5 series played against Killarney in which Lawton won 3 and lost 2. At the Semi-finals the team played Hillcrest in a best of 3 series in which the Lawton team won 2 straight making the third game unnecessary. In the City Finals against Parkview they again played 3 games in which Lawton lost the first game and then came back to win two straight, thus defending their City Championship. Congratulations.

BOYS' BASKETBALL - Coached by E. Atwell and T. Van Oerle. This year's basketball team played in regular league 10 games, winning 8 and losing 2. At the end of the regular season the team was in a three way tie for first place but unfortunately came third because of points for and against. They lost second place by only two points.

BROOMBALL - This year at our School, a Grade 9 and Teachers' Houseleague Broomball schedule was set up. This consisted of 7 teams with the teachers being the victors.

CURLING - During the Teachers' Convention some Lawton boys entered a Curling Bonspiel. The team placed second in "B" Division. Wayne Parker, Alan Sugiyama, Ron Yachemic, and Wayne Symington, took part in this Bonspiel.

GIRLS' SPORTS 1970 - 71

Teacher and Coach - A. McKinnon.

SENIOR GIRLS' VOLLEYBALL TEAM - The girls played 39 games, won 37 and lost 2. They finished first in the Zone defeating H. A. Gray. They played McKernan in the City Semi-Finals and defeated them in 2 straight games and did the same to Britannia in the Finals. A special thanks to the teachers and students who cheered us on to victory!

Lawton girls are the first girls' team ever to win the City Trophy for four consecutive years. In 4 years they have won 219 games and lost only 23! Lawton hasn't lost a match (2 out of 3 games) since 1966.

JUNIOR GIRLS' VOLLEYBALL TEAM - Team members are: Deb Serediak, Jean Babiy, Sylvia Chan, Barb Weidemann, Monika Przybilla, Monica Nikiforuk, Laurie Dudra, Sharon Cross, Sherry Schimpf, and Wendy Ostafichuk and Coach - Donna Synuiga.

They played 9 games and won them all. Many girls on this team will help to form, we hope, another championship team next year. Many thanks to the coach, Donna Synuiga, who is at Eastglen, for the time and effort she contributed.

SENIOR GIRLS' BASKETBALL TEAM - This team played 10 league games, won 8 and lost 2. The girls finished in third place in the Zone having been defeated by Baldwin and H. A. Gray. Top scorers for the season were: Chris Bidniak and Rita Balanko.

JUNIOR GIRLS' BASKETBALL TEAM - Team members are: Pat Shipka, Carol Synuiga, Deana Trudeau, Monika Przybilla, Sylvia Chan, Sherry Mandryk, Sharon Cross, Barb Weidemann, Barb Letniak and Barb Schaar. Manager - Jeanie Babiy, Captain - Darline Mandryk and Assistant Coach - Chris Ostafichuk. The girls played 2 games against Highlands and won both, but lost a game against Killarney. This team was coached by Frances Lynch and Charmaine Bayrack who are grade nine students. The girls have a good team which indicates that our next year's senior team should be strong.

GIRLS' HOUSELEAGUE COUNCIL - This group consisting of 12 housele ue captains and 3 executive members have done an excellent job of orga ing and managing the girls' houseleague program. The executive members are the following: Organizational Manager - Terry Turyk, Publicity Manager - Erika Keil, Co-ordinator - Charmaine Bayrack. The overall standing to date is as follows:

Grade 7 - House 1; Grade 8 - House 3; Grade 9 - House 4.

A bomb blew up,
Tom did too,

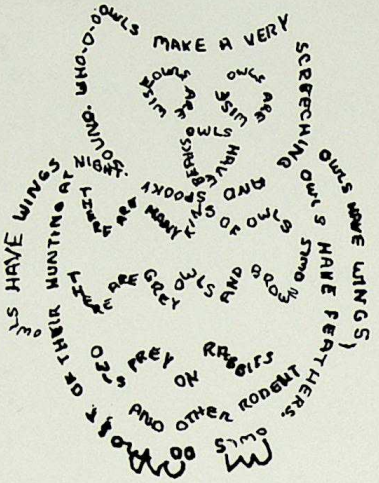
TODAY I SAW
Dolores Dickson

Today I saw the hunger in our hearts,
Today I saw it explode out free,
Today I saw it shrivel up and die,
Today I saw our freedom fade.

Today I saw the white go free,
Today I saw the black bound in chains,
Today I saw the words of freedom,
Today I saw them thrown away.

Today I saw the need of racial peace,
Today I saw the bounded hearts rejoice in fear,
Today I saw a happier man,
Today I saw freedom; at last.



JUST BECAUSE

Just because I swim on the floor,
Just because I sky dive off the cupboards,
Just because I have a track meet on in the bathtub,
Just because I do that, it doesn't mean I'm stupid!

I NOTICED

Arthur Balomben

I noticed what the world is like,
I noticed its old progress,
I noticed its happy peace,
I noticed its dreadful wars.

I noticed how the war effects us,
I noticed the dreadful killing,
I noticed how people felt,
I noticed the dead throughout the land.

I noticed the peace,
I noticed the happiness,
I noticed how peace affects us,
I noticed how war affects us.

LIFE

Valerie Stayko

Life of great feelings
Wading in Sorrow's and tears
Cryong for a hopeful thought,
Dying when that hope disappears.

Holding onto an invisible hand
Trying to project its feeling
Harding when no answer is received
Letting no one or no thing enter in.

But when, hope appears and tries to enter
Hearts turn away thinking of the hurt that passed
Letting happiness slip through their fingers without knowing
Then dying without ever knowing what they did to
themselves and to other's feelings.

A FALLING STAR

T. Haberstock

Last night I wished upon a star,
So shiny and so bright
I watched it fall onto the ground
By its soft glowing light.

I watched to see where it would fall
And went to investigate
But when I reached where it had landed
I thought I was too late

Its light was slowly going away
And it seemed it wanted to cry,
So slowly and so silently,
I crept away and said good-bye.

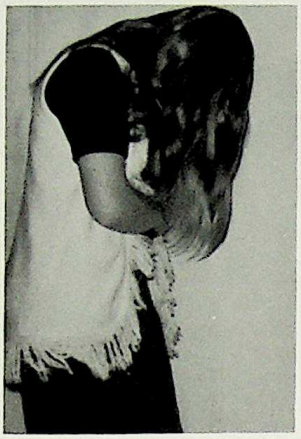
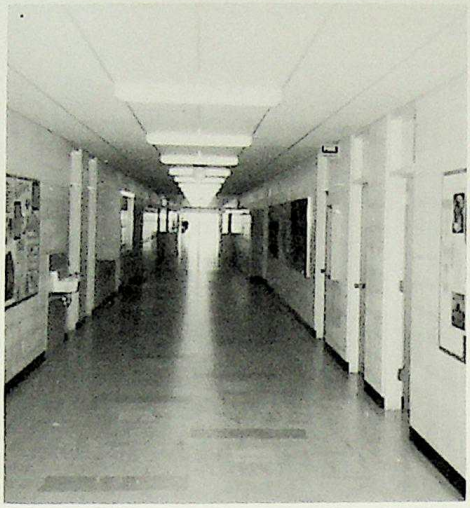
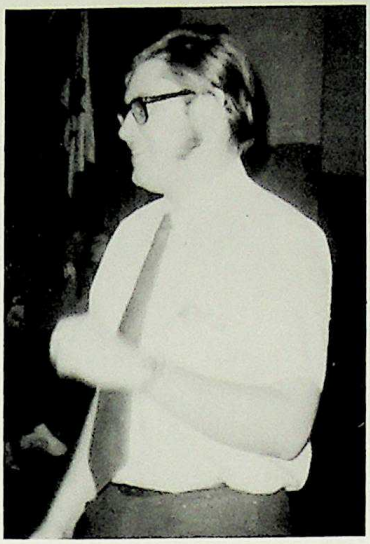
CANDIDS



Anybody got a pin?



"Happiness is an empty hallway."



Don't look now, but . . .

Doesn't he just hit the spot???

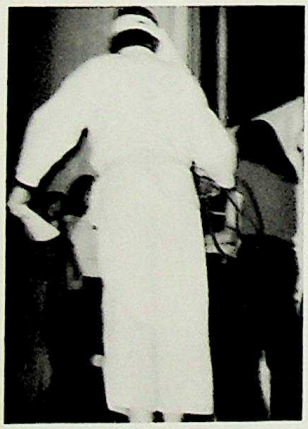
I SHOULD HAVE . . .

Michele Sawatzky

My brother was bugging me to find his coloring book.
I should have beaten him up, but I didn't.
I went looking for that coloring book
I should have found it but I didn't.

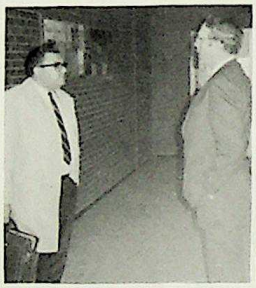
My mom wanted me to clean my room
I should have, but I didn't
Instead I went and bought the store out
I shouldn't have, but I did.
I tried to make this poem better,
I should have, but I didn't.

Awww . . .



Do you use Hi Karate?

Wanna smack?



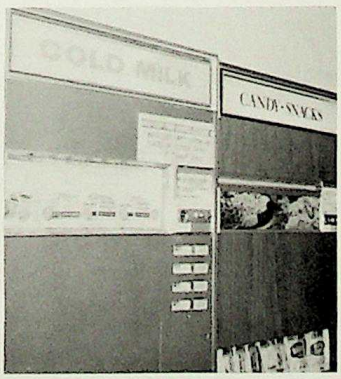
"Double-Bill feature." Salami, salami, balogna.

Buy one . . . get two free.

A FIRST FOR ONE LAWTON CLASS

April Fool's Day comes and goes. This year one class, 8C, thought they had one on their teachers, Mrs. Horne and Mr. Kieran. On this particular morning the 8C class decided to make a switch, boys to Home Ec. and girls to Ind. Arts.

The joke was on 8C since the teachers were prepared for them and proceeded to teach as if nothing really happened. The lads had a feast while the lassies had blisters.



"What . . . no Peanuts?"
